Echidna

This land is Gulidjan Country.

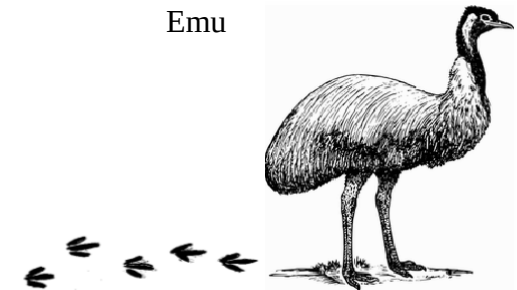

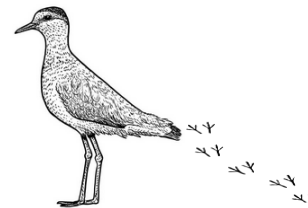

We acknowledge and pay our respects to the Gulidjan past, present and future.

Web-footed birds, ducks, pelicans and swans.

Brolga

Water fowl

Emu

**First Australians**

The Gulidjan word 'Cororooke' means Brolga or native companion. As custodians of the land the Gulidjan harvested and shared only what they needed. Many of their stone flakes and fish traps remain around the district's lakes and they ask us to leave them where they are.
